Want to have that perfect hairstyle? Not everybody has a same face shape. As you take a lot care while choosing your clothes and accessories to suit your personality, you should opt for the hairstyle that suits your face shape and lifestyle the most. Hairstyling products like Pureology and Sebastian Hair Products make it really easy to manage your hairstyle.

Styling the hair starts from recognizing your face and then selecting the right hairstyle. Face shapes are broadly categorized into:

**Round** ?People with round face have fullness in their faces and have a wide hairline. They need to give a slimmer effect to their face. You can go in for hairstyles that have layers and waves. Straight hairstyles should be avoided. Short hairstyles up to shoulder length are also good as it gives an illusion of height. Small curls on sides look great. Try Tressa, Mizani, Zerran, Hinoki, KMS Hair Product, Image Hair Product and Alterna Hair Products for a better hair quality.

**Oval** ?if you have an oval face, you can have both long and short hair cuts. This face shape is considered ideal for any hair style you desire. One thing you should keep in mind is that never wear your hair on your face. Manage your hair beautifully with hair products by Redkin and Biosilk.

**Long** ?You can compliment your face type by keeping a straight hanging hair style. Go for volumes. A mid-length bob cut or a heavy layered style is a perfect hairstyle for such face types. Add luster to your locks with Sebastian Hair products. Redkin styling gels and hair lotions provide a good conditioning to the hair.

**Heart** ?this kind of face type is wide at the temples and narrow at the chin. People with heart face shape should go for short hair and chin length hair. Chin length bobs, short shags, swept forward layers and wispy bangs look great on this face type. Don't select a hairstyle that shows upper face more as it will make your chin look narrower. Hair tonics from Biosilk and Pureology will work wonders for your hair.

**Square** ?if you have a strong square jaw line, you have a square face. Suitable hair styles for your face will be that balance out your features. You can opt for short hair to medium hair cuts will look fabulous on your face. Long straight hair and center parting is big no-no. Shine your hair with serum by Alterna Hair Products, Sudzz Fx, Image hair products & KMS Hair Product.

By studying your face carefully and selecting a right hairstyle will definitely add to your looks. After you have got your perfect hair-cut, there is a need to maintain it properly. For keeping your hair in the best condition, choose right hair products that will help in maintaining the hair. Good shampoos, conditioners, serums, gels are some of the essentials for your hair.
